

XARMOR

For iPad®

Ex certified, explosionproof case for Apple® iPad® 7/8/9 Generation

Wireless Charging Enabled

Lightweight & Compact

Full Audio Capability

Wifi & Bluetooth Compatible

Third Party Certified for Vapor and Dust

Compatible with Apple® iPad® 7/8/9 Gen tablets, this XARMOR case allows full use of the 10.2" touchscreen display, front and rear camera, audio recording and playback along with SIM card access. Compact and lightweight, the XARMOR for iPad® uses performance polymers and glass, plus a ground breaking wireless charging upgrade package which removes the need for bulky access ports.

XARMOR for iPad® in wireless charging dock (supplied as standard).

XARMOR for iPad® SIM Card access port (all models).

XARMOR for iPad® with optional palm strap installed.

XARMOR
